Announcements

- In Germany, an ornately decorated pole is erected in each town every year. The Maypole, as it is called, is then supposed to be protected from other towns who attempt to steal it. We will create a small Maypole and place it in the lobby this weekend. Take the pole and place it outside of your room (DO NOT BRING IT IN). If the pole is in front of someone else's room, place it in front of your own. Whoever has the pole in front of their room at 10am Friday will win the competition and a prize!
- On Wednesday, Activities will come to your room and play a few hands of Blackjack with you. Do you have what it takes to beat the house?
- I Spy Twenty-Five: We will hide 25, numbered pictures of objects around the building. Grab a sheet from outside of Activities and write down which objects you find under the corresponding numbers. Please do not remove the pictures from their hiding locations. Whoever finds the most or whoever is the first to find them all will win a prize.
- Come to the dollar store and support the Great Cycle Challenge for the month of September. In its 5th year with the goal of riding 400 miles in a month, help Chef Dave raise 500 dollars for the Children's Cancer Research Fund. Treats will be sold in the store with all profits being donated. Outright donations will also be gladly accepted!
